

March 2018

The Honorable Bill Huizenga
1217 Longworth HOB
Washington, DC 20515

Dear Representative Huizenga,

As a country that ascribes to Christian values, we are called to provide for the most vulnerable members of communities both here in the United States and around the world. As you work on fiscal year 2019 budget and spending bills, I ask you to invest in and protect key programs that will reduce hunger and poverty.

Our country and the world have made great progress in recent decades and so I want you to continue to invest in programs like SNAP and tax credits for low-income workers. I want you to continue to invest in programs like Feed the Future and the McGovern-Dole school-feeding program.

It is you, our congressional representatives, who determine how funds are invested. I call on you to fully invest in programs that pull people out of hunger and poverty, and into better opportunities in life.

Sincerely,
